Whereas the President of the United States did, on the fifteenth day of November, nineteen hundred and nine, issue the following proclamation:

“BY THE PRESIDENT OF THE UNITED STATES OF
AMERICA—A PROCLAMATION.

“The season of the year has returned when, in accordance with the reverent custom established by our forefathers, the people of the United States are wont to meet in their usual places of worship on a day of thanksgiving appointed by the civil magistrate to return thanks to God for the great mercies and benefits they have enjoyed. During the past year we have been highly blest. No great calamities of flood or tempest or epidemic sickness have befallen us. We have lived in quietness, undisturbed by wars or rumors of wars. Peace and the plenty of bounteous crops and of great industrial production animate a cheerful and resolute people to all the renewed energies of beneficent industry and material and moral progress. It is altogether fit that we should humbly and gratefully acknowledge the Divine source of these blessings, therefore, I hereby appoint Thursday, the twenty-fifth day of November, next, as a day of general thanksgiving and I call upon the people on that day, laying aside their usual vocations, to repair to their churches and unite in appropriate services of praise and thanks to Almighty God, and in witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

"Por cuanto, el Presidente de los Estados Unidos dictó el quince de Noviembre de mil novecientos nueve la siguiente proclama:

"PROCLAMA DEL PRESIDENTE DE LOS ESTADOS UNIDOS DE AMÉRICA.

"Ha llegado de nuevo la época del año en que de acuerdo con la reverente costumbre establecida por nuestros mayores, el pueblo de los Estados Unidos está habituado á reunirse en sus lugares usuales de culto, en un día designado por el primer magistrado civil, para dar gracias á Dios por los grandes beneficios y mercedes de que ha gozado. Durante el pasado año hemos sido altamente favorecidos. No han caído sobre nosotros grandes calamidades, inundaciones ó temporales ó enfermedades epidémicas. Hemos vivido en calma, no perturbados por guerras, ó rumores de guerra. La paz y la abundancia de espléndidas cosechas y de una gran producción industrial alientan á un pueblo alegre y resuelto para todos los renombrados esfuerzos de actividad provechosa y de progreso moral y material. Es, pues, justo que humilde y rendidamente reconozcamos la fuente Divina de estas bendiciones, y por lo tanto, designo por la presente el

jueves veinticinco de Noviembre, como día general de gracias, y exhorto al pueblo á que en dicho día dé de mano á sus habituales ocupaciones y se reuna en sus iglesias y eleve adecuadas preces de alabanzas y gracias al Todopoderoso. Whereas the banking houses signing said petition have agreed that drafts which would be payable on the thirty-first of December, nineteen hundred and nine, if the same were not a holiday, shall not be protested until sunset on January third, nineteen hundred and ten, and that they will receive moneys from the business

community on said thirty-first day of December for safe keeping, providing that such moneys shall not be taken up on the banks' accounts until the third day of January; and it appearing to the Executive that the thirtieth day of December, nineteen hundred and nine, and the first day of January, nineteen hundred and ten, are public holidays, and that said thirty-first day of December can be declared a public holiday to the great advantage of the banking and importing and exporting houses, for the purpose of completing the work of their yearly balances, and that retail establishments may keep open and transact business, should they so desire:
